October 23, 1953

Mr. E. R. Saunders, Comptroller
Central Intelligence Agency
2430 E Street, N. W.
Washington, D. C.

Dear Mr. Saunders:

The Appropriations Committee of the Senate wishes to secure certain information relating to the government communications. In order to accomplish this, the enclosed form has been designed.

It is requested that the data be furnished separately for each agency whether or not the agency is organized within a major department of the government. Explanatory pages could be added to the basic information in instances where such explanation is necessary to give a complete and accurate picture.

In instances where this information is classified, it is suggested that it be furnished separately but in accordance with the attached format. It is requested that this information be forwarded to me by November 15, 1953.

Very truly yours,

Paul E. Kamerick
